EXPERIENCE

MIAMI UNIVERSITY, Oxford, Ohio

August 2021 - Present

Shift Lead

- Lobbied alumni for over \$10,000 in contributions to university and accelerated student well-being
- Manage student staff throughout day, facilitate store opening and closing, and provide customer service

TARGET CORPORATION, Mentor, Ohio

November 2020 - Present

Merchandise Team Member

- Educate consumers to purchase hundreds of products from in and out of store inventory
- Facilitate stocking and storage management with a variety of different merchandise and thousands of in-store locations
- Coordinate with managers and fellow team members to construct three new promotional displays

PARKER HANNIFIN, Mayfield Heights, Ohio

May 2022 - August 2022

Cyber Security Internship

- Coordinated with internal systems and a dozen third-party vendors to further Parker's security infrastructure
- Oversaw Insider Threat Response and communicated with more than fifty employees to validate potentially suspicious activities
- Maximized workplace efficiency with a team of ten coworkers under an Agile Project Management structure and presented internship findings to Parker executives
- Engineered security tools, recommended new education modules, evaluated over 20 possible vulnerabilities, and explored possible automation use cases

CAMPUS AND COMMUNITY INVOLVEMENT

CYBERSECURITY CLUB, Oxford, Ohio

August 2022 - Present

Organization Treasurer

- Negotiate event funding with Associated Student Government for more than 100 registered members
- Analyze organization logistics, 15 semester events, future funding needs of the Cybersecurity Club

SKILLS

Java, Cybersecurity, PowerShell, Communication, SQL, C++, Agile Project Management
